DEPARTMENT : ||-B.Sc(Computer Science)

COLLEGE : Government Arts And Science College(Co-ed) Avinashi

UNIVERSITY:Bharathiar University

PROJECT TITLE

***Digital portfolio**

The slide features a light beige background with decorative leaf patterns in the corners. The top-left corner has orange and grey leaves. The top-right corner has grey leaves. The bottom-left corner has orange and pink leaves. The word "AGENDA" is centered in a large, dark brown, serif font.

AGENDA

- **Problem Statement**
- **Project Overview**
- **End Users**
- **Tools and Technologies**
- **Portfolio design and Layout**
- **Features and Functionality**
- **Results and Screenshots**
- **Conclusion**
- **Github Link**

Problem Statement

- **Many students and developers struggle to present their skills, projects, and achievements in a visually appealing and accessible way. Traditional resumes fail to highlight creativity and technical expertise. A personal portfolio website provides an interactive platform to showcase one's profile effectively.**

Project Overview

- This project is a responsive personal portfolio website designed for Anandakrishna R. It highlights academic background, certifications, skills, extracurricular activities, and GitHub contributions. The portfolio is enhanced with animations,

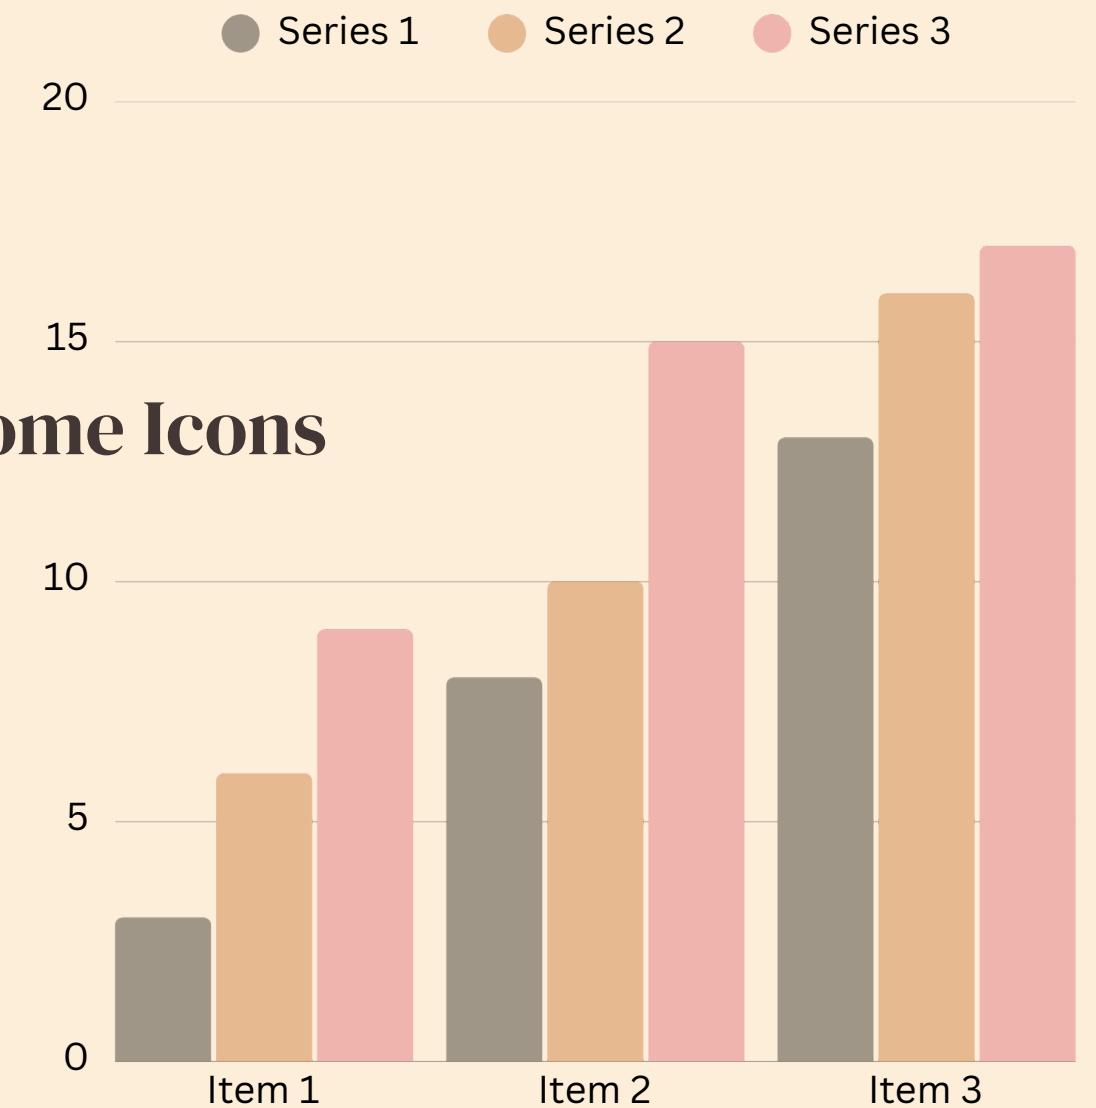

End Users

- **Recruiters & Hiring Managers – to assess skills and achievements.**
- **Peers & Collaborators – to connect for coding challenges or projects.**
- **General Audience – anyone exploring the candidate's background.**

Tools and Technologies

- **Frontend:** HTML5, CSS3, JavaScript
- **Styling & Animations:** CSS animations, Font Awesome Icons
- **Version Control:** Git & GitHub
- **Responsive Design:** Media Queries, Flexbox, Grid

Portfolio Design and Layout

- **Rainbow animated background**
 - **Floating profile image animation**
 - **Grid-based card layout for sections**
 - **Responsive across desktop and mobile**
 - **Soft shadows, hover effects, and gradient highlights**
- 

Features and Functionality

- **About Me section with personal introduction**
 - **Education & Certifications cards**
 - **Skills with progress bars**
 - **Personal details (address, phone, blood group)**
 - **Extra-curricular activities**
 - **GitHub integration for project sharing**
 - **Social media and contact links**
- 

Results and Screenshots

- **Successfully built a responsive and visually attractive portfolio.**
- **Provides structured presentation of professional and personal details.**
- **Smooth animations enhance user experience.**
(Screenshots can be added here once you capture them from the running website.)

Anandakrishna R

Computer Science Graduate |
Programmer | Developer

The background of the slide is a solid blue color. In the center, there is a light blue rounded rectangle containing the text. The corners of the slide are decorated with stylized leaf branches in shades of orange, brown, and pink. The 'About Me' section is marked by a blue person icon and a blue underline.

About Me

Hello! I'm Anandakrishna R, a passionate Computer Science graduate with expertise in programming and software development. I enjoy creating innovative solutions and continuously expanding my knowledge in technology.

I'm a dedicated learner who believes in the power of technology to transform lives and solve complex problems.

Education

B.Sc Computer Science
Avinashi College | 2025

Certifications

IBM Certified
Professional Certification
in Software Development

</> Skills

Programming: Java, C++, Python,
JavaScript

Web Development: HTML, CSS, React,
Node.js

Database Management: MySQL,
MongoDB

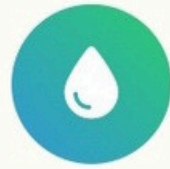

Documents

Passport
Available for
international
opportunities

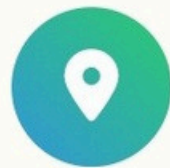

Personal Details

Blood Group
B+

Phone Number
+91 7339542561

Address
Avinashi, Tamil Nadu,
India

Extra Curricular

Reading
Technology, Science
Fiction, Personal
Development

Coding Competitions
Regular participant in
hackathons and coding
challenges

Trekking
Exploring nature and
challenging myself with
new trails

Conclusion

The portfolio website serves as a modern digital resume, making it easier for recruiters and collaborators to evaluate technical skills and personal interest. It demonstrates proficiency in web technologies and UI/UX design while reflecting creativity.
